Religious Education in the Primary Curriculum

Emma Senior the RE advisor will be in school on the 21st Feb 2012 from 9.00—9.30. She will be displaying artefacts from the main faiths and will be conducting an informal information session for any parents who would like to learn more about RE in the primary curriculum.

Anti Bullying week was very successful. All children, staff and governors have been asked to complete an anti bullying questionnaire. **We are now asking parents to complete a short, online anti bullying questionnaire. This can be found on the Oxhey website under NEWS and LATEST NEWS (if prompted for a password it is Oxhey).** Please can you spare 5 minutes to complete this as all comments are valuable to us in developing anti bullying policies. Also on the website you will find a national newsletter concerning anti bullying and the current anti bullying policy. We also hope you enjoyed the recent Bully Busters article in the Chronicle
